2. Scope of supply

The tenderer is to include the detailed specification, schedule of delivery and commissioning of the D.G. set as per annexure-I. The tenderer must commit to accept of 18 months warranty period for the D.G. Set (both engine & alternator).

The tenderer shall carefully study the tender documents and shall satisfy himself of the suitability of the D.G. set, and shall take full responsibility for the efficient operation and guarantee of specified performance parameters of the D.G. set offered.

The tenderer shall inspect the site and shall satisfy him-self of the site conditions and shall collect any other information, which he may require before submitting the tender. Claims and objections due to ignorance of the site conditions will not be considered after submission of the tender.

The offer shall be for supply and commissioning of D.G. set according to tender specification given in Annexure-I

The tenderer shall also furnish an item wise list of spare parts and consumables separately for one year of Warranty period for normal working of the D.G. set. The operation, maintenance and spare part manuals are also to be made available with the D.G. set. The tenderer will supply catalogues, manuals of the D.G. set to facilitate after sales maintenance work.

The tenderer shall include in its scope of supply a set of special tools and tackles for repair, erection, commissioning and supervision of maintenance of the D.G. set.

3. Scope of Commissioning

The commissioning of the equipment shall be done by the successful tenderer and shall inter-alia include testing and providing the guaranteed contract performance certificate of the D.G. set. The D.G. set will be commissioned within 15 (Fifteen) days from the date of delivery.

Commissioning of the equipment to the satisfaction of Bihar State Road Development Corporation Ltd. will be sole responsibility of the successful tenderer. The tenderer shall provide competent commissioning engineers to ensure the same.

The D.G. set shall be deemed to be commissioned only after successful full load testing and trouble-free run of 15 (Fifteen) days and Commissioning Certificate shall be issued immediately thereafter.

Commissioning also includes provision of necessary civil foundation work, suitable earthing to the equipment and required cabling work at the cost of the tenderer.

4. Time Schedule for Delivery & Commissioning

Delivery should be within 1 (One) month to site and erection & commissioning shall be done within 15 (Fifteen) days from the date of delivery.

The mutually agreed period will become a firm contractual commitment from the time of awarding the contract. The successful tenderer shall be responsible for coordinated delivery of the DG set and shall ensure delivery of the whole equipment as required at site for commissioning. The spare parts

Tel: 0612-2226711/ 2226723

and consumables required for normal working of D.G. set for first 12 months shall be delivered at site stores at the beginning year of Warranty Period.

5. Transportation

The successful tenderer shall deliver the D.G. set at the installation site including assembly / commissioning would also be the responsibility of the successful tenderer.

6. Basis of order placement

The landed cost of the equipment i.e. D.G. set as per technical specification as per “Annexure-I” on FOR Destination basis.

7. Statutory Variation

The ex – factory price of the equipment shall be firm. The various taxes, duties and levies included in the offer should be shown separately. However, during the currency of contract, if any fresh taxes, duties or levies have been imposed on supply of D.G. set, such variation in the tax, duty or levy, if payable by purchaser, shall be paid by. For this purpose the successful tenderer shall provide necessary documentary evidence for tax arising out of variation shall be restricted to the contract and cannot extend to the sub-contracted supply received by the contractor. Increase in taxes, duties and levies beyond stipulated delivery period will be borne by the successful tenderer.

8. Warranty

The tenderer shall provide warrantee for 18 months for the D.G. set.

The successful tenderer shall guarantee against defect arising out of workmanship, design, materials and performance to ensure satisfactory performance requirements indicated in the tender document. In the event of any inadequacy / defect / error / fault resulting in a fall in the performance of the D.G. set, the successful tenderer shall, rectify the same, including supply of spares at free of cost.

The list of spares / components and consumables to be replaced as per mandatory requirements are to be submitted for the warranty period and are to be stocked at site and supplied as and when required by the successful tenderer. The payment for the same shall be made against consumption certificate issued by Bihar State Road Development Corporation Ltd.

The successful tenderer shall be responsible for the performance of the D.G. set supplied including any non-OEM component / assembly. If any breakdown of D.G. set is suspected due to any defect in a non-OEM component / assembly, it shall be the sole responsibility of the successful tenderer to rectify the defect and restore the same to operation.

Registered Office: RCD Central Mechanical Workshop Campus, Near Airport, Sheikhpura, Patna –
800014

Tel: 0612-2226711/ 2226723

9. Terms of Payment

For Equipment:

80% of the total order value shall be paid against receipt and acceptance of materials at site. On making such payment, Bihar State Road Development Corporation Ltd. shall have lien on the materials pending for successful commissioning at site.

10% of the total order value shall be paid against successful commissioning at our site.

The balance 10% of the total order value shall be paid on submission of Performance Bank Guarantee of equivalent amount valid for 18 months after 30 days from date of commissioning.

10. Erection and Commissioning

To be carried out by the successful tenderer within 15 (Fifteen) days from the date of receipt of D.G. set at site. Bihar State Road Development Corporation Ltd. shall give intimation towards receipt of materials at site on the date of receipt of equipment.

11. Taxes

The successful tenderer shall pay all taxes, duties, charges or levies that may be assessed or imposed on them by the Government of India. The tenderer shall clearly furnish the details of the taxes and duties presently payable.

Under the Income Tax Act, any Company responsible for paying any sum to any non-resident company shall deduct Income Tax at source. Accordingly, non resident companies must produce a certificate from the concerned Income Tax authority in India indicating the rate of recovery of Income Tax at source for all payments due to them to cover liability, if any, under the Indian Income Tax Act, failing which payments shall not be released to the non-resident Company.

12. Legal Capacity

The tenderer shall satisfy Bihar State Road Development Corporation Ltd. that he is competent and authorized to submit tender and / or to enter into a legally binding contract with BSRDCL. To this effect, any person signing the tender shall render relevant documentary evidence, like Power of Attorney, that his signature on the tender submitted by him is legally binding upon himself and the supplier.

A person signing the tender or any document forming part of the contract on behalf of another shall be deemed to warrant that he has authority to bind such other and if it is discovered that at any time that the person so signing had no authority to do so, BSRDCL may without prejudice to other civil and criminal remedies, cancel the contract and hold the signatory liable for all cost and damages.

13. Tender

The tender shall comprise of 2 (two) parts:
