1. Tender Bids should be placed in a properly sealed envelope addressed to **The Director, Bihar Museum, Bailey Road, Patna-800 001.**

Technical bid along with Tender Processing Fee should be **put up in a separate envelop** and the Financial Bid should be **put in separate sealed another envelope**, clearly indicating “TECHNICAL BID” and “FINANCIAL BID” with the details of the Bidder. Both sealed Technical & Financial Bid’s envelops should be **put in one envelope and must be super-scribed “Tender for Facility Management Services”** with the name, address & phone nos. of the Bidder. The tender must be submitted at the **Office of the Director, Bihar Museum, Bailey Road, Patna - 800015** on the date & up to the time mentioned in the tender notice and the tenders will be opened in the Office of the Director, Bihar Museum, Bailey Road, Patna – 800 015 on the date and time specified for the same in the presence of all Bidders or their authorized representatives.

2. **The Bidder shall acquaint himself fully with all Museum premises, Sites, conditions and the working environment before quoting the rates.**

It is advised to do a complete survey at his own of the Premises before offering rates. No compensation because of any difficulties will be entertained later after award of works.

3. **The evaluation of the tender will be done as per least cost selection basis. The Technical Bid will carry 100 marks, the detail break-up of which is given on Annexure - V of the Tender Document, qualifying marks will be 70 points. The Financial bid will be open after completion of technical bid of only those agency, qualified in technical bid.**
4. In case the Bid being submitted by a firm, it must be signed separately by each partner thereof or in the event of the absence of any partner, it must be signed on his behalf by a Person holding a power of attorney authorizing him to do so or in the case of a company, the tender be signed in the manner laid down in the said Company’s Article of the Association. The signatures on the tenders will be deemed to be the authorized signatures.
5. An Index page showing contents/annexure & page no. should be annexed first followed by relevant documents with proper page numbering & signed by the owner of the firm or his Authorized Signatory as token of acceptance of Terms & Conditions. In case the tenders are signed by the Authorized signatory, a copy of the power of attorney/ authorization may be enclosed along with tender.
6. The bidder must ensure that the conditions laid down for submissions of offers are complete and correctly filled. The rates and units shall not be overwritten and shall be in both i.e. figures and words.
7. In case two or more agencies are found to have quoted the same rates, the Tender Committee shall recommend about the Bidder to which the offer shall be granted based on the “NEGOTIATIONS” to become lowest rate bidder. The decision of the Director, Bihar Museum Society, Patna or Authority nominated by the Department shall be final.
8. Any changes with respect to this tender will be notified through News Paper and the website <http://yac.bih.nic.in> or <http://prdbihar.gov.in> only.
9. Bihar Museum Society reserves the right to accept or reject any or all the tenders without assigning any reason.

TERMS AND CONDITIONS

1. The bidder must provide information about his Agency as per Technical Bid.
2. Bihar Museum Society may require different types of manpower- like Office Attendants, Drivers, Sweepers, Plumber, Electrician, Carpenter, Supervisor etc or other Manpower that is not mentioned in the Tender Document. This Manpower is to be provided as per requirement for

eight hours a day and seven days a week. In case of overtime as per the Labour Rule, the wages will be suitably paid according the Rule or mutual understanding.

3. Agreement for STP, HVAC and BMS work has been done by Bihar Museum with OEM. After completion (Expiry) of agreement, selected FMS agency has to make necessary arrangement for such type of works i.e. STP, HVAC & BMS with these agencies or OEM. Agencies have to quote their rates for 1. HVAC, 2. BMS & 3. STP separately. The quoted rate will be applicable after expiry of the tenure given to the present OEM/Agencies. For any type of query, information can be obtained from Bihar Museum office on any working days.
4. The number of persons required may vary from time to time and it may vary as per needs. Bihar Museum Society reserves the right to reduce or increase the Manpower, if considered necessary. In either case the contract amount payable to the Agency shall stand modified under the Contract on pro-rata basis.
5. The payment details to be provided as per the format attached as Financial Bid. All the rates should be quoted all inclusive, i.e. all admissible administrative charges & Taxes; charges as per Labour Rule.
6. On acceptance of the tender, the Bidder shall deposit Performance Security in the form of Bank Guarantee/Demand Draft/NSC of Rs. 10,00,000/- (Ten Lakhs) only to Bihar Museum Society, Patna within 7 days of the award of the contract which will be refundable without interest after 60 days of completion of the contract.
7. The staff employed by the agency will always keep identity cards with them for verification while working.
8. Provide summer and winter uniforms, identity card and safety items to his employees, as required under the law at his own cost. All personnel of the Agency will wear the uniforms in clean condition while on duty. Bihar Museum Society shall not pay any extra charges to the Agency against these items. Uniform for various categories of workers to be provided by the Agency shall be decided in consultation with Bihar Museum Society.
9. In case of Housekeeping all the required machines/equipments/cloth/materials to be provided by the agency at his own cost used for cleaning, sweeping, dusting, drainage cleaning etc. Agency should ensure clean, dry & hygienic environment at Museum including the work places, cabins, cuboids, furniture, fixtures, walls, roof, glasses, entrance, staircases, toilets, three times a day (first before 9.00 am, second at 2.00 pm & third at 4.00 pm) in working days or on special occasions by providing air fresheners, toilet paper/soap/liquid, naphthalene balls/liquid of approved quality & quantity, wherever required. The detail of which is provided on Annexure-I. As a proof of equipment, agency has to provide equipment's bill in the name of agency/proprietor. For consumables and equipment, no extra payment will be made. Agency has to make necessary provision for the same while quoting as mentioned in Annexure – IV (Financial Bid). In addition, no other charges will be paid.
10. The supervisor deployed by the Agency is supposed to be present during working hours. He will give report pertaining to the assigned works to the designated officer.
11. The Bihar Museum Society shall have the right to replace or stop any person without assigning any reason whatsoever and the substitute shall have to be provided by the contract immediately, if required.
12. The staff and Manpower to be provided by the Agency should be physically fit, healthy for performing manual & assigned duties and shall not be below 18 years and above 58 years of age and should have clean Police Record. It will be the duty of Agency to make available the 'Police Verification Report' before deployment of any staff or Manpower.
13. The Manpower will be screened by the Bihar Museum Society. All the persons to be provided should have good moral character. No criminal case must be pending against any of the persons employed by the Agency. The Agency should ensure that his worker does not smoke, not indulge in drinking alcohol or intoxicants or in gambling.
14. The details of the persons deployed by the Agency with Bio-data, attested proof of Identity, photocopy of the driving license (in case of driver) and the latest photographs of all the persons shall be supplied to the Bihar Museum Society for record.
15. Obtain necessary license, permit, consent, sanction etc., as may be required or called for from/by local or any other authority for doing such work. The Agency shall comply at its own cost with all applicable laws, rules, and regulations in force from time to time whether of Central or State Govt. as applicable to him or to this contract without any liability and responsibility to Bihar Museum Society, whatsoever it may be.

16. The administration of Bihar Museum Society shall be at liberty to check any time the deployment of persons by the Agency and in case of default shall deduct the wages of absentee personnel from monthly payment due to the Agency and impose penalty as deemed fit by him. The penalty can be imposed for the same as per decided. The decision of the Director, Bihar Museum Society shall be final in this regard.
17. The Agency shall be liable for full fidelity of the personnel to be provided and in case any pilferage/damage/theft/shortage is caused to the property of the Bihar Museum Society due to the carelessness of the persons deployed by the Agency, the value as assessed shall be recovered from the payment due to the Agency under the contract. If some amount is still found recoverable, the Agency shall deposit the same within 15 days from service of notice by the Bihar Museum Society.
18. The Agency shall not pay to the persons engaged by him less than the minimum wages along with statutory liability as approved under Minimum Wages Act, by Labour Department of GoB.
19. The Bihar Museum Society will not be liable to pay any amount other than specified as above. Any payment under provision of the ESI Act, 1948, Workman Compensation Act 1923, payment of Gratuity Act, 1948 and Employee's Provident Fund and Miscellaneous Provisions, Act 1952 or any other statutory liability shall be made by the Agency. The agency shall be solely responsible and liable for his persons under the provisions of Contract Labour (R&A) Act and the labour and services laws. A certificate to this effect will have to be submitted by the agency in separate challan in respect of Manpower employed by him. The certified copy of challans must be submitted next month along with the bill.
20. The Agency shall be paid against monthly bills to be submitted by him at the settled rates from the office, to which sanction & Fund is given for Service at a particular museum/site.
21. The Agency shall maintain daily shift-wise attendance record of the personnel deployed showing their arrival and departure time and submit to the respective office, designated for payment, and an attested (under Company/Agency seal) photocopy of the attendance record is to be attached with the monthly bill.
22. Before submission of the bill, the Agency shall ensure that the payment of persons deployed by the Agency have been made for the billed period.
23. Under no circumstances Agency is entitled to claim any charges over and above the charges prescribed in the terms of this contract.
24. The agency must ensure the payment to staff by 7th of each month from his own resources proof of the payment should be produced with the coming month bill.
25. **TDS and other taxes as applicable will be deducted from agency's bill as per Govt. instructions from time to time.**
26. The Service tax (if claimed by the Agency) will be reimbursed only after the submission of proof of payment of Service Tax.
27. The Performance Security amount shall be released without interest after 3 months of completion of the contract period only after being satisfied of the successful completion of the contract and no liabilities from the Agency or the its employees. In case of any complaint, the security deposit shall be discharged only after adjusting all dues, liabilities of the workers etc.
28. In case of any change of constitution of the Agency, the rights of Bihar Museum Society (Govt. of Bihar) should not suffer.
29. All personnel engaged under this contract by the Agency shall be employees of Agency. Bihar Museum Society (Govt. of Bihar) shall not have any liability/responsibility to absorb the persons engaged by the Agency and/or to extend any type of recommendation etc. for obtaining any job in Bihar Museum Society/Govt. of Bihar or elsewhere.
30. Agency shall maintain all records/registers as required to be maintained under various labour laws and other statutory laws in force and as amended from time to time.
31. A local representative of agency shall be In-charge of the entire contract and shall be responsible for the efficient rendering of the services under the contract. While working at the premises of Bihar Museum Society they shall work under the directives and guidance of the Bihar Museum Society. This will, however, not diminish in any way, the Agency's responsibility under contract to the Bihar Museum Society.
32. The Personnel deployed by the Agency should be disciplined and will not participate in any activity prejudicial to the interest of Bihar Museum Society /Govt. of India /any State/ or any Union Territory.

33. In case any personnel of the Agency is implicated in any law suit or is injured by any person or group of persons agitating mob etc. during the course of performing his duty/their duties for Bihar Museum Society it shall be the sole responsibility of the agency to defend its personnel in the court of law or to extend all medical and financial help etc. without charging any cost to the Bihar Museum Society.
34. In case Bihar Museum Society is implicated in any law/suit on account of not fulfilling of any or all obligations under any law or due to performing the duties by any personnel of the Agency, all cost of defending such suit settlement of claims penalty etc. shall be borne by the Agency or recovered from the due amounts payable to the Agency and/or from the security deposit held by Bihar Museum Society.
35. In the event of any accident and/or injury, in respect of which compensation may become payable under the Workman's Compensation Act-VIII of 1923 including all amendments thereof, Bihar Museum Society shall have full powers to retain out of any sums payable/becoming payable to the Agency, any sum as may be deemed sufficient to meet such liability on receipt of award of compensation from the competent authority under the said act, and the same shall be adjusted from this amount. Any shortfall shall be recovered and any excesses shall be refunded. The opinion of the Managing Director of Bihar Museum Society shall be final in regard to all matters arising under this clause.
36. The decision of Director, Bihar Museum Society in regard to interpretation of the Terms & Conditions and the Agreement shall be final and binding on the Agency.
37. An agreement shall be signed with the designated/authorized person of the successful agency.
38. The Director, Bihar Museum Society shall be the sole authority to decide and judge the quality of the service rendered by the Agency and all other matters and his decision shall be final and binding.
39. At the end of Contract Period/Termination of the Contract, the agency shall handover the charge to the new service provider (appointed by Bihar Museum Society) without any hindrance. In case of non-compliance, the Security Deposit shall be forfeited.
40. The contract will be valid for a period of Five years if the agency work is satisfactory and can be extended for another period if agreed to by both the parties.
41. **Termination:** The Contract may be terminated by giving one month's notice, in case the agency:
 - i. Assigns or sub-contracts any of this service.
 - ii. Violation/contravention of any of the terms and conditions mentioned herein.
 - iii. Does not improve the performance of the services in spite of instructions.
 - iv. Any violation of instruction/agreement or suppression of facts.
 - v. Contractor being declared insolvent by competent court of law.
 - vi. If agency willing to exit this contract, a two months' notice in advance should be produced by the agency.
 - vii. On termination of the contract, it shall be the responsibility of the agency to remove his men, machinery, and materials within days as per order. Bihar Museum Society shall not indemnify any loss caused to the agency by such terminations, whatsoever it may be.
 - viii. During the notice period for termination of the contract in the situation contemplated above, the agency shall keep on discharging his duties till the expiry of notice period.
42. **Penalty:** In case the work of agency not found satisfactory, deduction will be made from the bill and in case of pre-mature termination of the contract due to any of the clauses of Termination, the security amount shall be forfeited.
43. **Arbitration:** In case of any dispute or differences arising on terms and conditions, the same shall be settled by reference to arbitration by the Sole Arbitrator to be appointed by the Director, Bihar Museum Society.
44. **Jurisdiction:** In case of any dispute, the jurisdiction shall be the Court at Patna only.

1. Overview

Bihar Museum requires the provision of a professional Cleaning Service which shall include:

- Routine cleaning of the internal and external areas to meet the required service standard.
- A responsive service to maintain the full use of the facilities and the safety and well-being of all users
- A periodic and deep clean service.
- Facility Management Service Provider shall also provide additional housekeeping services as and when required by Bihar Museum. Facility Management Service Provider shall bring in its own equipment for cleaning and shall be responsible for maintaining these equipments at all time. All costs for purchase/repair/spares/maintenance etc for these equipments will be borne by Facility Management Service Provider.
- Facility Management Service Provider shall be responsible for the safekeeping of these equipment's at the Bihar Museum site and shall not take out these equipments any time during the term of contract other than for repairs. In case such repairs take more than a week, Facility Management Service Provider shall arrange to provide alternate equipment to Bihar Museum.

1.1 The Facility Management Service Provider is encouraged to take a holistic view of the Estate and to adopt a proactive approach to the delivery of this Service. As such, they are required to report immediately any defects, deterioration, or damage to Bihar Museum property as soon as they become aware of such defects in the course of their duties under this Contract.

1.2 In particular the Cleaning Service shall include but not be limited to

- Dusting / polishing of all furniture, sills etc
- Polishing / vacuum cleaning / cleaning of floors
- Cleaning of all toilets and shower / changing rooms (where applicable)
- Replenishing of soap, towels, toilet rolls etc
- General cleaning of staff kitchens and tea points
- Cleaning walls, ceilings, internal glass surfaces
- Cleaning of internal and external windows.
- The clearing of gutters/roofs to remove debris (where applicable);
- The removal of graffiti and other stains to the internal / external of Premises (where applicable);
- Cleaning/litter picking of external areas;
- Shampooing of carpet and chairs.
- Facility Management Service provider needs to conduct Housekeeping audit for every 6 months through internal Facility Management Bihar Museum specialists
- Only Johnson Diversey or Green building/USGBC council approved cleaning chemicals must be used as per Bihar Museum guidelines.

2. Routine Cleaning

The Facility Management Service Provider is required to provide a high-quality service within the scope of the Specification defined in Annexure A-1. The Facility Management Service Provider will undertake all tasks normally associated with routine office cleaning, to ensure that the offices, toilets, meeting areas, public areas and all other Bihar Museum working areas, furniture and floor spaces are maintained to a high level of general cleanliness and remain presentable and fit for their intended purpose.

2.1 Dusting / polishing of all furniture, sills.

- All chairs and soft furnishings must be clean, dry and free from dust. All work stations, screens, upholstered partitions, bookcases, chairs, shelves, cabinets, tables, pictures and coat racks must be free from debris, stains, marks and dust. They must be clean and dry with no evidence of residual cleaning agents. In addition, they must be free from finger marks and smears.
- All telephones should be free from dust and smears.
- Light fittings must be free from dust
- All blinds and curtains should be free of stains, marks, and dust.
- All signage, including emergency signage should be clean, dry and free of stains, marks and dust.
- Bins must be empty, clean and dry inside and out, bin-liners replaced where necessary and placed in their original locations. Liners should be used in all containers.

2.2 Polishing / vacuum cleaning / cleaning of floors

- All hard floor surfaces must be free from debris, clean, dry and free from stains, marks and dust. There must be no evidence of any accumulation of slurry of soaps, or residues

of other cleaning agents. Floors must be safe and not slippery. The dressing must be complete and intact without evidence of powdering, discoloration or build up. Chewing gum and other sticky substances shall be removed before any cleaning procedure is carried out using an appropriate cleaning technique and chewing gum remover. Special care shall be utilized to ensure that all methods formulated agents and tools are not injurious to the surfaces being cleaned and redressed.

- All carpets, carpet tiles, mats and mat wells must be free from grit, dust and debris with no apparent stains. They must be clean and dry. All carpeted areas are to be cleaned by the manufactures recommended methods and recommended intervals.
- The pile in the main traffic areas must be evenly brushed and opened against the flow of incoming traffic.
- Care is to be exercised when staff is still on the premises. Wet floors should be sign-posted. Trailing cables and open sockets should be made safe.
- All cleaning methods used must be of a sufficient quality to meet these standards and to maintain any guarantees on the floor covering

2.3 Cleaning of all toilets

- The required service standard is to be evident before the start of business activity and, in addition, should be brought up to this standard during the operating hours.
- All furniture and fittings must be free from debris, stains, marks and dust. They must be clean and dry with no evidence of residual cleaning agents. All sanitary ware, including showers, shower heads, sinks, wash hand basins, WC bowls, seats, covers, hinges, tops, undersides, rims, taps, overflows, outlets, chains, plugs, urinals, brushes, toilet roll holders, tiled surfaces, splash backs, and vanity units must be free from scum, grease, hair, scale, dust, soil, spillages and removable stains. In addition, the surfaces should be disinfected.
- Floors should be cleaned to the same standard as other building floors. In addition, there should be no evidence of scum, grease, hair, and scale and the floors must be disinfected.
- All walls, skirting, dado-rails, coving, radiators, pipes, vents, grilles, doors, doorframes, fittings and glass panels, window frames and sills must be free from debris, marks, and dust. They must be clean and dry with no evidence of residual cleaning agents. In particular, they must be free from finger marks, Verdigris stains, runs, and cobwebs to full height. Walls, doors and cubicle partitions shall be washed by a disinfectant solution regularly.
- Mirrors must be clean and free from smears.
- Soap dispensers must be filled, operating correctly with clean nozzles, the external surfaces must be clean dry and free from smears. Solid bars of soap must be clean and replaced as necessary.
- All toilets should be kept fully stocked with supplies and should be made available at all times.
- Towel holders/ dispensers must be clean, dry and free from dust, marks and smears with clean towels fitted. Hot air dryers must be clean, dry and free from dust, marks and smears.

- Bins must be emptied, cleaned and dried inside and out, bin-liners replaced where necessary and placed in their original locations. Liners must be used at all times.
- Bihar Museum expects a holistic washroom supplies service. The Vendor shall provide options on the consolidation of existing and proposed washroom products

2.4 Walls, Ceilings, Doors and Staircase

- All walls, skirting, dado-rails, coving, radiators, pipes, vents, grilles, doors, doorframes, fittings and glass panels, window frames and sills must be free from debris, marks, and dust. They must be clean and dry with no evidence of residual cleaning agents. In particular, they must be free from finger marks, verdigris stains, runs, and cobwebs to full height
- All ceilings, ventilation diffusers and ceiling light fittings must be free from debris, marks, dust and cobwebs. They must be dry with no evidence of residual cleaning agents
- Stairs including treads, risers, nosing, banisters, balustrades, handrails, ledges and protective wire guards where present must be free from dust, debris, stains and marks
- Treads and risers are to be treated same as floors
- Walls and high-level surfaces and fittings must be free from dust, cobwebs and marks to the full height

2.5 Corridors, Lifts and Lobbies

- All hard floor surfaces must be free from debris, clean, dry and free from stains, marks and dust. There must be no evidence of any accumulation of slurry of soaps, or residues of other cleaning agents. Floors must be safe and not slippery. Some slight scuffing may be apparent but the dressing must be complete and intact without evidence of powdering, discoloration or build up
- All walls, skirting, dado-rails, coving, radiators, pipes, vents, grilles, doors, doorframes, fittings and glass panels, window frames and sills must be free from debris, marks and dust. They must be clean and dry with no evidence of residual cleaning agents. In particular, they must be free from finger marks, Verdigris stains, runs and cobwebs
- All carpets, mats and mat wells must be free from grit, dust and debris with no apparent stains. They must be clean and dry
- Stainless steel surfaces must be treated with an appropriate cleaning and polishing agent

2.6 External Areas

- Bihar Museum requires the provision of a professionally managed Cleaning service to the external areas of the buildings
- The required service standard is to be evident before the start of business activity and, in addition, should be brought up to this standard during the business day
- Entrances, service areas, car parks, paving, paths, grounds and the outside premises must be maintained so that no graffiti, debris, litter cigarette ends, dirt or spillages are apparent after cleaning. Empty all waste bins and replace in their original locations
- All areas protected by security, screening, netting, protective cages etc shall have the protection removed temporarily to remove graffiti, debris, dirt dust, weeds and litter. The protection must be replaced to the original standard prior to invasion.

- The Facility Management Service Provider shall report any defects encountered during carrying out external areas maintenance tasks to Bihar Museum

3. Periodic cleaning

- 3.1 In addition to the above, the Facility Management Service Provider is required to carry out any periodic or deep clean activities not included in the routine cleaning activities to achieve the service standards, as defined in Annexure A-1. This can include, but is not limited to, deep cleaning and periodic cleaning activities of the communal and public areas and deep cleaning activities that require more frequent cleaning than routine cleaning including kitchens, vending points and cafeteria.

Special cleaning instructions need to be followed for below mentioned area:

Server Room, Communication Room and Hub Rooms

Cleaning will be scheduled by arrangement with the person responsible for giving access to that particular area

- This specification relates to the special cleaning in the communications and equipment areas within the premises
- These areas must be free from dust, static electricity and be left clinically clean. There must be no evidence of dust, run marks, removable stains, finger marks or cobwebs on any surface
- under no circumstances must any computer or computer related equipment be disturbed in any way other than the cleaning actions
- The Facility Management Service Provider must ensure that only the appropriate cleaner's power sockets are used for cleaning equipment, not those specifically dedicated for computer use. If in doubt the cleaners should consult the Bihar Museum.
- Mats and carpets must be free from dust, debris and stains. Their attendant mat wells must be free from grit, dust and debris and must be left clean and dry
- Hard floor areas must be entirely free from dust and left clean and dry
- Where possible items of furniture that are removable are not to be cleaned within the area. They are to be removed dirty, cleaned outside the area and returned in a clean anti-static state
- All non-computer equipment and furniture must be suction cleaned free from dust and left free from grease and smears. Switch areas at the front of tape units or disk drives must not be dusted
- The use of water for cleaning in these areas is forbidden

4. Reactive Cleaning

- A reactive service is required to maintain the full and safe use of the facilities. Tasks can include, but are not limited to, responding to spillages, replenishing consumables and monitoring the cleanliness of the sanitary facilities
- Remove spills and treat to minimize damage to floor coverings and reduce the risk of staining. Use only approved specialist materials within the indicated timescales for the removal and treatment of spills.

5. Safety Guidelines

- The Facility Management Service Provider must know and follow their duties related to safety for all personnel. These guidelines are applicable to Facility Management Service Providers as well as sub-contractors deployed by them at the site
- All Facility Management Service Provider workmen should be provided with a uniform by the Facility Management Service Provider and shall work within the Bihar Museum premises in their prescribed uniform
- The Facility Management Service Provider shall ensure that no access (passages / access to emergency apparatus / exits) is blocked, unless so authorized by Bihar Museum personnel beforehand
- The Facility Management Service Provider shall provide prior information to the Bihar Museum representative about any hazardous material being brought on the site and shall ensure security storage of such material
- The Facility Management Service Provider must leave work areas in a clean, tidy and safe condition at the end of each working period
- The Facility Management Service Provider should ensure that their personnel do not consume alcohol / do not smoke / do not take drugs on site
- All workmen of the Facility Management Service Provider or their sub-contractors must have valid identifications cards verified by the Bihar Museum Security Department & shall display at all times during duty hours.

2. Pest Control

- The Facility Management Service Provider is to provide a total pest control service for the Premises in order to keep Bihar Museum Premises free from rodents, birds, insects etc.
- The Facility Management Service Provider shall provide a full action plan for dealing with the range of pests encountered within the Premises. The Facility Management Service Provider is required to carry out a detailed survey of the site. The findings and results of the survey, together with other information, are then used in formulating the action plan, of which control is a major part.
- The Facility Management Service Provider shall determine the site conditions and make a list of all the pests identified during the site visit. All Health & Safety issues must be addressed, regarding access, dangers regarding the type of pest and possible treatments, and therefore the relevant legislation that has to be adhered to.
- Bihar Museum requires a pest control service that would control, if not eradicate all pests from site, including the removal of dead creatures. Bihar Museum will look for the Facility Management Service Provider to use the most effective and humane methods possible.
- Within the Pest Control service, the Facility Management Service Provider shall provide a pigeon and bird control service, to minimize the presence of pigeons and other birds at the Premises, and to clean the exteriors of Premises to keep the Premises regularly free of bird droppings (where applicable).
- Facility Management Service Provider should possess Central Insecticide Board Certification and shall provide the same (CIBI Number) to Bihar Museum.
- Inspection and service will take place during visits to the premises by the Facility Management Service Provider. Visits will be of three types and conditions should be developed covering each:
 - A pre-arranged number of regular inspections will be carried out by the Facility Management Service Provider sufficient to meet all statutory and best practice requirements.
 - Emergency call outs and follow up treatments should be regarded as additional to routine inspections.
 - The Facility Management Service Provider may include a routine inspection during an emergency call out or follow up only if:

- All inspection points are covered in addition to emergency or follow up work.
- Additional follow up visits may be required to reinforce control measures. These will often occur at the beginning of a contract to rid premises of existing infestations and following emergency call outs to ensure that actions taken prevent infestations from developing.
- Legislation restricts what pesticides can be used, where and how. Only adequately trained personnel may use pesticides or make decisions about how they are used. The Facility Management Service Provider is required to comply with all National, local or other statutory or governmental directives, orders, acts, laws, codes, regulations, or rules relating to Biological Agents. Selection of the appropriate pesticide is the Facility Management Service Provider's responsibility. Methods are to be efficient but carried out in a humane way.
- Reports should be written at the survey stage and after each site visit. The reports should be clear, concise and complete. They should contain a summary of what was found, what action and what precautions should be taken in future.
- The Facility Management Service Provider shall institute a system of written reports on all site visits. These should be dated and describe the extent of treatments undertaken. Only approved pesticides must be recommended, and used in accordance with the label instructions and conditions and all National, local or other statutory or governmental directives, orders, acts, laws, codes, regulations, or rules the identity of all pesticides applied should be recorded, together with any warnings/ precautions to be undertaken by Bihar Museum staff in relation to the pesticides applied/ work carried out.
- Facility Management Service Provider shall provide material data sheets of the pesticides/chemical used in Bihar Museum premises.
- Certificates must be provided showing each of the technician's qualifications and aptitudes in the Pest Control techniques and processes (where applicable).
- **Operating Schedule for Pest Control Services**

3. Carpet cleaning

Bihar Museum requires the provision of a professionally managed carpet Cleaning service. The Facility Management Service Provider shall clean complete carpet area as per the cycle decided by the authority. The Facility Management Service Provider shall provide all equipment, supplies, and manpower for completing this activity. Facility Management Service Provider shall have the provision of both dry and wet shampooing as per the requirement of Bihar Museum.

- Facility Management Service Provider shall get the equipment approved from Bihar Museum for the load and other technical specifications
- Facility Management Service Provider shall have dedicated set of machines only for Bihar Museum site and these should always be available at any given point of time
- A schedule of such cleaning would be given by the Facility Management Service Provider and approved by Bihar Museum.
- Facility Management Service Provider shall begin the cleaning operation by removing all movable furnishings from the carpeted areas, placing the furnishing in appropriate temporary locations and shall conclude the operation by replacing furnishings to their original locations once the carpet is dry
- Caution signs needs to be set up before the commencement of work
- Appropriate time should be given for the drying of the shampooed area and till such time the area should be barricaded
- All paper, gum, rubber bands, staples, paper clips and other debris shall be removed from the carpeted area
- Facility Management Service Provider to use appropriate industrial wide commercial standard material pre- approved by Bihar Museum.
- All spots and stains shall be treated with an approved spot cleaning solution and a soft bristle brush and shall continue until as much of the spot or stain as possible has been removed.
- Clean all carpet area throughout the premises, unless otherwise stated.
- Access to locked areas is to be arranged with the Client's Representative.
- Leave carpet clean, dry and free from any stains.
- There must be no evidence of any tea coffee stains
- Facility Management Service Provider shall take precautions against furniture damage and post shampooing splash, clean up walls etc.
- Facility Management Service Provider shall redo the shampooing of the area that is done unsatisfactorily at no additional cost.
- Bihar Museum shall provide storage space for cleaning material and equipment. It is the responsibility of the Facility Management Service Provider to maintain the area in neat and orderly manner.
- Facility Management Service Provider shall follow the safety regulations of Bihar Museum, like usage of access cards, wearing and displaying ID cards etc.
- Carpet shampooing will be done on need basis without extra cost.

4. Window cleaning/Facade Cleaning

- Bihar Museum requires the provision of a professionally managed Window Cleaning service. The Facility Management Service Provider shall clean all external glass surfaces and internal surface of specific areas.
- Facility Management Service Provider shall provide these services by bring its own equipment if required
- Facility Management Service Provider shall also have provision of using different techniques like spider technique etc for areas requiring the same.
- Facility Management Service Provider shall provide all cleaning material and ensure that meets the quality specifications required for the cleaning.

- The Facility Management Service Provider would appoint a site supervisor who would be responsible for monitoring the services and shall inform Bihar Museum representative before starting and after completing the job on a daily basis during the cleaning cycle.
- The Facility Management Service Provider shall ensure that the manpower used are trained and experienced and are wearing proper safety gear and uniform.
- Facility Management Service Provider will be required to sign off Bihar Museum safety guideline document.
- Facility Management Service Provider would produce necessary license/ approvals if required under health and safety norms.
- All floors and furniture are to be adequately protected before the commencement of work.
- Clean all glazing throughout the premises, unless otherwise stated. Access to locked areas is to be arranged with the Bihar Museum representative.
- Leave glazing clean, dry and free from smears. There must be no evidence of run marks, stains or finger marks on glass, window ledges, sills, paintwork or surrounds.
- It is incumbent upon the Facility Management Service Provider to apprise Himself of any safety measures necessary for the discharging of His obligations and to make adequate arrangements for their provision. Where these are available from Bihar Museum the Facility Management Service Provider must ensure that he satisfies himself as to their proper working order. Where such equipment is not provided or available from Bihar Museum the Facility Management Service Provider shall provide it. The cost of providing such safety equipment shall be borne by the Facility Management Service Provider.
- Risk assessments must be carried out and a site-specific insurance policy must be submitted and agreed with Bihar Museum, prior to the commencement of work.
- The Facility Management Service Provider shall be responsible for any loss or damage to Bihar Museum property due to negligence of Facility Management Service Provider team & will pay the repair / replacement cost.
- Facility Management Service Provider shall redo the cleaning of the glass/ area that is done unsatisfactorily at no additional cost.

5. Horticulture Services (Plants and Flowers)

Contractor will carry out the Operation and Comprehensive Maintenance of stage Audio & Visual system like projector, microphones, speakers, conference delegate system, LED TV, Video Walls, Cyclorama, motorized Light Bars and stage light, Fins, Frills Including Motorized Curtain and other equipment which are installed and handed over to contractor after contract

Technical Services

1. **Fire Fighting System:** -

Major responsibilities

- **Pump Operation & Monitoring**
- **Monitoring and maintenance fire tank water level**

Scope of Work

Facility Management service provider will carry out the Operation and Comprehensive Maintenance of Fire Fighting and Fire Alarm system with following maintenance schedule.

DAILY SERVICES: -

- To check the pressure of the water
- To ensure the availability of water in tanks.
- To check the leakage in pipe lines feeding to fire system.

- To maintain the records in log book.
- To maintain and ensure the firefighting equipment running properly.
- To check and maintain the manpower as per the work conditions.

MONTHLY SERVICES: -

- Running diagnostic check.
- Checking and maintaining the water tanks.
- Checking and maintaining the water pumps.
- Oil and greasing in bearings.
- Alignment of motor.
- Checking and testing of pressure in line.
- Services of motors and pumps.
- Cleaning of strainer.
- Checking of electrical panel, Terminals, Connectors, Thimbles, and Contactors etc.
- Cleaning contacts and replace if found faulty.
- Checking all terminals and tightening connections.
- Checking all the phase indicators lamps etc.
- Checking of overload relays, contactors and replace them if found faulty.
- Checking and Cleaning of the detectors.

QUARTERLY SERVICES: -

- Running diagnostic check.
- Checking and maintaining the water tanks.
- Checking and maintaining the water pumps.
- Lubricating in pumps.
- Checking and testing of coupling.
- Checking, Testing and Alignment of motor.
- Flushing the pipe lines.
- Physical check of hose piping and reel.
- Checking and testing of pressure in line.
- Checking of Sprinklers.
- Conducting discharge test.
- Testing of the detectors and Fire Panel.
- Services of motors and pumps.
- Cleaning contacts and replace if found faulty.
- Checking all terminals and tightening connections.
- Checking all the phase indicators lamps etc.
- Test and calibrate overload setting.
- Tighten motor terminal.

YEARLY SERVICES: -

- Cleaning with chemical of water tank once in year.
- Pumps test flow.
- Flushing of pipe once in year
- Complete service of valves once in year

- Complete of fire control system.
- Complete Cleaning, Servicing, Testing of the whole Fire Fighting and Fire Alarms system as per the OEM manual once in year.

Electrical & Mechanical Facilities

1. Major Responsibilities: -

- Panel – All HT & LT panel operation & Monitoring
- Transformer – Monitoring of Transformer
- APFC Panel – Power factor monitoring
- UPS System – UPS & Battery monitoring
- Solar System – Monitoring of Solar System
- Normal Light – Operation and control of Normal light
- Special Light - operation and control of Normal light
- AHU LCP – Operation and monitoring of AHU LCP
- Starter Panel – Operation and monitoring of Starter Panel

Scope of Work

Electrical System

DAILY SERVICES: -

- Operation of whole electrical system in the building (24x7) 365 days.
- Recording the reading of HT meter at opening and closing of the day in the log book of meter to be arranged by contractor;
- Recording the condition of transformer in transformer log book including load on the transformers and taking corrective action in case of abnormalities;
- Checking the HT panel and recording the observations made, any abnormality to be corrected immediately;
- Checking the LT panels and recording the observations made, any abnormality to be corrected immediately;
- Checking the Distribution System and recording the observations made, any abnormality to be corrected immediately;
- Keeping all the meters and indications of HT and LT panels intact;
- Cleaning of Transformer, HT panels, LT panels etc. and Attending the daily routine complaints of electrical lighting or power point received from the users.

MONTHLY SERVICES: -

- All works to be carried out as carried out in daily schedule above, Checking and operating switch gear and trip circuit of
- HT panel for its proper functioning. In case of defective/malfunctioning to be rectified immediately;
- Checking and operating switch gear and trip circuit of Transformer for its proper functioning. In case of defective/malfunctioning to be rectified immediately;
- Checking and operating each switch gear and trip circuit of LT panels for their proper functioning. In case of defective/malfunctioning to be rectified immediately;
- Checking the load on each phase of distribution system and ensuring that load is within limit and no MCB, switch, cable is over loaded.

- f) Checking of power factor equipment and capacitor banks, relay, panel etc. and rectifying any fault detected and ensuring that P.F. is maintained.

QUARTERLY SERVICES: -

- a) All works to be carried out as carried out in monthly schedule above;
- b) Checking of current, power factor, power and voltage at each switch in LT panels;
- c) Cleaning of Distribution Systems.
- d) Oil sample testing of transformers oil.
- e) Checking, repairing and cleaning of street lights, and security lights.
- f) Checking and attending the complaints related to the electrical power, lighting of server area in the building.
- g) Monitoring of all critical equipment's (UPS), readings and logging reading.
