### INTRODUCTION

#### 1. General

- 1.1 Bihar State Water and Sanitation Mission, Patna, Bihar, India will select a consulting firm /organization (hereinafter referred as Consultant) in accordance with the method of selection specified in the Data Sheet. The Consultants are invited to submit a technical and a financial proposal (the Proposal) as specified in this RFP Document and the Data Sheet for this Assignment. The Assignment shall be implemented in accordance with the terms and Conditions specified in the Data Sheet and other sections of the RFP Document.
- 1.2 Consultants should familiarize themselves with local conditions in entirety and take them into account while preparing their Proposals. To obtain first-hand information on the assignment and local conditions, Consultants are encouraged to visit the project sites.
- 1.3 The Client will provide the inputs specified in the Data Sheet, and will assist the Consultants in obtaining licenses and permits needed to carry out the services, and make available relevant project data and reports.
- 1.4 Consultants shall bear all costs associated with the preparation and submission of their Proposals. Costs shall include site visit; collection of information; and, if selected, attendance at contract negotiations etc.
- 1.5 The BSWSM is not bound to accept any Proposal and reserves the right to annul the selection process at any time prior to contract award without assigning any reasons and without thereby incurring any liability whatsoever to the Consultants.

1.6 In preparing their Proposals, Consultants are expected to examine in detail the documents comprising the RFP. Material deficiencies whether content/patent in providing the information required may result in rejection of the Proposal.

### **Conflict of Interest**

1.7 BSWSM requires that Consultants provide professional, objective, and impartial advice and at all times hold the Client's interests paramount, avoid conflicts with other assignments or their own corporate interests and act without any consideration for future work. Consultants shall not be recruited for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of not being able to carry out the assignment in the best interest of the BSWSM. Without limitation on the generality of the foregoing, Consultants, and any of their associates shall be considered to have a conflict of interest and shall not be selected under any of the circumstances set forth below:

- (i) If a Consultant combines the function of consulting with those of contracting and/or supply of equipment; or
- (ii) If a Consultant is associated with or affiliated to a contractor or manufacturer; or
- (iii) If a Consultant is owned by a contractor or a manufacturing firm with departments or design offices offering services as Consultants. The Consultant should include relevant information on such relationships along with a statement in the Technical Proposal cover letter to the effect that the Consultant will limit its role to that of a Consultant and disqualify itself and its associates from work, in any other capacity or any future project within the next five years, that may emerge from this assignment (including bidding or any part of the future project). The contract with the Consultant selected to undertake this assignment will contain an appropriate provision to such effect; or
- (iv) If there is a conflict among consulting assignments, the Consultant (including its personnel and sub-consultants) and any subsidiaries or entities controlled by such Consultant shall not be recruited for the relevant assignment. The duties of the Consultant depend on the circumstances of each case. While continuity of consulting services may be appropriate in particular situations if no conflict exist, a Consultant cannot be recruited to carry out an assignment that, by its nature, will result in conflict with another assignment of such Consultant. For example, a Consultant engaged to prepare engineering design for an infrastructure project shall not be recruited to prepare an independent environmental assessment for the same project; similarly, a Consultant assisting a client in privatization of public assets shall not purchase, nor advise purchasers of, such assets or a Consultant hired to prepare terms of reference for an assignment shall not be recruited for the assignment in question.

### **Fraud and Corruption**

1.8 The BSWSM requires that consultants observe the highest standard of ethics impartiality the procurement and execution of such contracts. In such pursuance of this policy, the BSWSM:

- (i) defines, for the purposes of this provision, the terms set forth below as follows:
  - (a) "corrupt practice" means behaviour on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and
  - (b) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the borrower, and includes collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the borrower of the benefits of free and open competition).
- (ii) will reject a Proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract; and

(iii) will declare a firm ineligible, either indefinitely or for a stated period of time for awarding any BSWSM contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, any BSWSM contract.

## **7. PROPOSAL EVALUATION**

### **General**

- 7.1 From the time the Proposals are opened to the time the contract is awarded, if any consultant wishes to contact the client on any matter related to its proposal, it should do so in writing at the address indicated

in the **Data sheet**. Any effort by a Consultant to influence the Client in examination, evaluation, ranking of Proposals or recommendation or award of contract may result in rejection of the Consultant's Proposal.

- 7.2 A two stage procedure will be adopted in evaluating the proposals: (a) A technical evaluation which will be carried out prior to opening of financial proposals (b) A financial evaluation
- 7.3 The envelope 1 shall be opened first. If the RFP Document Cost and Bid Security is not found to be in order then the proposal shall be treated as non-responsive and shall not be evaluated further.
- 7.4 Notwithstanding the foregoing BSWSM reserves their rights to exercise in assessing the past experience of Consultant with BSWSM (PHED)'s projects currently being implemented and such consultants whose performance had not been satisfactory, will not be considered for evaluation/award. In this regard the decision of BSWSM shall be final and binding.**

#### **Evaluation of Technical Proposals**

- 7.5 The eligibility criteria will be first evaluated as defined in Notice Inviting RFP for each bidder. Detailed technical evaluation will be taken up in respect of only those bidders, who meet with the prescribed eligibility criteria.
- 7.6 The Client's 'Technical Committee' (TC) will be responsible for evaluation and ranking of Proposals received.
- 7.7 The TC evaluates and ranks the Technical Proposals on the basis of Proposal's responsiveness to the TOR using the evaluation criteria and points system specified in the Data Sheet. Each Technical Proposal will receive a technical score (St). A Proposal shall be rejected if it does not achieve the minimum technical mark of 70%
- 7.8 A Technical Proposal may not be considered for evaluation in any of the following cases: (i) Proposal as submitted by consultant belongs to one of the cases described in **Sub-Clause 1.6** and failed to make a proper statement to that effect in the cover letter ; or (ii) Proposal as submitted by consultant was found not to be legally incorporated or established in India; or (iii) the Technical Proposal was submitted in the wrong format; or (iv) the Technical Proposal included details of costs of the services; or (v) the Technical Proposal reached the Client after the submission closing time and date specified in the **Data Sheet**.
- 7.9 After the technical evaluation is completed, the Client shall notify Consultants whose Proposals did not meet the minimum qualifying technical mark or Consultants whose Technical Proposals were considered non-responsive to the RFP requirements, indicating that their Financial Proposals will be returned unopened after completion of the selection process. The Client shall simultaneously notify, in writing Consultants whose Technical Proposals received a mark of 70% or higher, indicating the date, time, and location for opening of Financial Proposals. (Consultants' attendance at the opening of Financial Proposals is optional).
- 7.10 Before completion of the evaluation of Technical Proposal, the Client may at its sole discretion invite all or any of the eligible Consultants to make a presentation on their Technical Proposal to facilitate the understanding and evaluation of Technical Proposal. The scope of such presentation shall be limited to information already provided in the Technical Proposal.

#### **8. PUBLIC OPENING AND EVALUATION OF FINANCIAL PROPOSALS**

##### **Opening of Financial Proposals**

- 8.1 At the public opening of Financial Proposals, Consultant representatives who choose to attend, will sign an Attendance Sheet. (i) The marks of each Technical Proposal that met the minimum mark of 70% will be read out aloud. (ii) Each Financial Proposal will be checked to confirm that it has remained sealed and unopened. (iii) The Client's representative will open each Financial Proposal. Such representative will read out aloud the name of the Consultant and the total price shown in the Consultant's Financial Proposal. This information will be recorded in writing by the Client's representative. The lowest bidder will be invited for contract negotiation.

#### **9. CONTRACT NEGOTIATIONS AND AWARD OF CONTRACT**

- 9.1 The Consultant who is invited for contract negotiations will, as a pre-requisite for attendance at the negotiations, confirm availability of all experts named in its proposal except in the cases of absence on account of death or medical incapacity. Failure in satisfying such requirements may result in the Client proceeding to initiate the negotiation process with the next lowest bidder. Representatives conducting

negotiations on behalf of the Consultant must have written authority to negotiate and conclude the Contract

- 9.2 **Technical Negotiations:** This will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan and schedule, and organization and personnel, and any suggestions made by the Consultant to improve the TOR. The Client and the Consultants will finalize the TOR, personnel schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Services." Special attention will be paid to clearly defining the inputs and facilities required from the Client to ensure satisfactory implementation of the assignment. The Client shall prepare minutes of negotiations which will be signed by the Client and the Consultant.
- 9.3 Negotiations will conclude with a review of the draft Contract. To complete negotiations the Client and the Consultant will put full signature with stamp on the agreed Contract. If negotiations fail, the Client will invite the Consultant whose Proposal received the second highest score to negotiate a Contract.
- 9.4 After completing negotiations the Client shall award the Contract to the selected Consultant and notify the other Consultants who could have been invited to negotiate a Contract that they were unsuccessful. After Contract signature the Client shall return the unopened Financial Proposals to the consultants whose Technical Proposals have not secured the minimum qualifying mark, or were found to be technically non-responsive.
- 9.5 The selected Consultant is expected to commence the Assignment on the date and at the location specified in the Data Sheet.
- 10. DURATION OF ASSIGNMENT** The duration of assignment for satisfactory performance of the services the contract will be the period defined in Data Sheet.
- 11. ## SECTION 5: TERMS OF REFERENCE

### TERM OF REFERENCE

#### **Baseline of infrastructure and Household Survey of the identified Rural Habitations in Bihar State and providing web based solution for Data Management**

---

##### **BACKGROUND:**

The Bihar State Water and Sanitation Mission (BSWSM) is the registered society of Government of Bihar and works under the aegis of Public Health Engineering Department for community participation and community engagement in Rural Piped Water Supply, Water Quality Monitoring & Surveillance and water security.

Towards achieving the task defined under 'Seven Resolves for Development of Bihar', the BSWSM is mandated to engage in multi pronged activities of community participation, capacity building, enabling environment building for tap water supply for every rural habitations. The BSWSM seeks to commission Baseline Survey in the rural habitations of Bihar spread over across the 3378 identified Gram Panchayats. It is proposed to procure the services of a consulting firm experienced in conducting Baseline/Impact Evaluations/ Monitoring and Evaluation/ Research studies to undertake Baseline Survey in these states.

##### **Purpose of the Baseline Survey**

BSWSM aims at bringing about sustained improvement piped water supply to the rural households targeted. Only a scientific survey of households, drawn from the State Mission intensive and non-intensive areas, and undertaken the baseline that would be able to establish the 'net' contribution of the State Mission to provide rural piped water supply and well-being status of the rural people and the factors and processes accounting for such changes. The Bihar State Water and Sanitation Mission (Public Health Engineering Department), Government of Bihar has therefore decided to commission an baseline survey to collect and assess the present status of drinking water sources and scope to provide piped water supply to rural households of State.

Therefore, the purpose of the baseline survey is to assess, the infrastructure and baseline situation of rural households targeted by PHED in all the Districts of Bihar. The consultant agency is required to deploy a dedicated team to undertake Baseline Survey. The survey would be required to be conducted in both the PHED intensive and non-intensive areas to assess the coverage of the Rural Piped Water Supply through tap water connection at the rural household. Further, since the data would be utilize in planning of Piped water supply scheme planning, so the consultant agency would require for developing a web based MIS to store and manage the database for reporting. Finally, the data collected as part of the survey should facilitate design/ fine tuning of interventions and allow for the measurement of the impact of the Mission on key parameters at a later point of time and generate Detailed Project Report (DPR) for a Piped Water Supply Scheme.

##### **Scope of the Work**

The central purpose of the baseline survey is to assess the infrastructure and household situation of the rural households on access of Piped Water Supply targeted / likely to be targeted under

NRDWP/Mukhyamantri Gramin Peyjal (Gunvatta Prahavit Kshetra) Nishchay Yojana on the indicators developed by the State Mission's Guidelines as annexed with this document)

Further, the survey finding would be stored at web-based MIS to provide online solution of reporting the progress and generating DPR required for planning of Piped Water Supply Scheme.

### **Suggested Methodology**

The survey should be designed to effectively capture the Rural infrastructure and Household status on the parameter of piped water supply of the targeted households in 3378 identified Gram Panchayats of State (list enclosed). However, it would be difficult to identify 'non-target' (control) households as the Programme is mandated to implement interventions for all rural poor households in the state, in a phased manner. Households located in the identified Gram Panchayats are expected to receive all benefits envisaged under the Programme over a period of time.

### **Scope of Field Survey**

The selected consultant firm/company would be expected to undertake:

- (i) Methodology development as per the guidelines of State Mission issued for the purpose;
- (ii) Selection, training and deployment of field teams
- (iii) Data collection from all households, community institutions and others;
- (iv) Quality control
- (v) Data entry and management; (
- (vi) Preparation and presentation of report.

The BSWSM requires that the consultant firm undertakes all the inter-related tasks. The task of identifying and hiring the services of a suitable sampling expert shall also be the responsibility of the consultant firm.

Once the plan and the methodology are approved by the BSWSM, the consultant would undertake the following key activities:

**Preparatory Arrangements:** ♣ Agreement with the State Missions ♣ On the dates of survey, movement plan, logistic support, deployment of key staff and other arrangements;

**Recruitment and Training of Field Staff:** ♣ Recruitment, orientation and field ♣ training of enumerators and supervisors;

**Household Data Collection:** ♣ Collection of data from treatment and control ♣ groups with appropriate supervisory and quality control mechanisms;

**Collection of Data from Community Institutions:** ♣ Collection of data from ♣ community institutions using the pre-tested survey forms from identified institutions, if necessary after listing such institutions; **Village Surveys:** ♣ Collection of data using village survey forms

**Data Cleaning and Entry:** ♣ Data cleaning and data entry using pre-agreed ♣ Software with appropriate accuracy checks;

**Data Analysis:** ♣ Analysis of data using SPSS/SAS (for quantitative analysis) and ♣ atlas-ti (for qualitative analysis);

**Interim Reports:** ♣ preparation of interim reports based on preliminary ♣ findings;

**Concurrent Feedback:** ♣ Concurrent feedback on key issues observed during the survey and that may have implications for the programme design and implementation processes;

**Draft Reports:** ♣ Preparation of draft reports and presentations;

**Final Reports:** ♣ Preparation of final reports and presentations; and

**Data Transfer:** ♣ Transfer of electronic data sets and filled-in survey forms.

**Duration of Consultancy:** The duration of the survey is 60 days from the date of contract. The final report along with the complete dataset (double entered) shall be submitted within the stipulated 60 days period failing which the BSWSM, may at its discretion, impose a penalty amounting to Rs. 500 for each working day till the date of submission.

#### **Key Qualifications and Experience of the Consultant**
