Notice Inviting Request for Proposals from eligible Consultants for appointment as Financial Management and Accounting Support Consultant in Bihar Building & Other Construction Workers Welfare Board (BBOCWWB), Labour Resources Department, GOB

No. 03/2019-20

Date: 27.01.2020

1.1. Background

Building and Construction industry is recognized as the unorganized sector with vast labour intensity and economic activity after agriculture in India. This industry generates demand for both skilled and semi-skilled labour force. The workers face inherent risk to life/vital body parts due to occupational hazards. However, these labourers work is temporary and casual natured with lack of basic amenities and inadequate welfare facilities. With an objective of providing adequate working conditions and welfare amenities, the Government of India enacted the legislation namely, Building and Other Construction Workers (Regulation of employment and conditions of services) Act, 1996. As per the legislation, the Bihar State Government has framed Rules, constituted State Welfare Board and planned the welfare scheme in 2005 (as amended from time to time).

Central Government enacted an The Building and other construction workers' Welfare Cess Act, 1996 to provide for the levy and collection of a cess on the cost of construction incurred by employers with a view to augmenting the resources of the State Building and Other Construction Workers’ Welfare Boards constituted under the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.

Construction workers face inherent risk to the life and bodily injuries including loss of vital parts. The work is of casual nature and temporary and thereby there is no continuity in relationship between employer and employee. Uncertain working hours, lack of basic amenities and inadequacy of welfare facilities are the major drawbacks in and around this segment of labour. Under the Building and Other Construction Workers (Regulation of employment and conditions of services) Act 1996, the State Government has to ensure that the intended benefits and advantages reach the construction workers at the earliest and in full measure, for which there are Welfare Boards set up in every State to monitor the benefits of safety, health and welfare measures of these workers.

Bihar Building and Other construction Workers Welfare Board is running a series of Welfare schemes for construction workers, which are aimed to safeguard the interest of construction workers and their family as well as to protect them from any type of hazards which occur in their lives. So it is necessary to get themselves registered under the Board.

Board is collecting Cess and running series of Welfare Schemes for the labourers. To Strengthen the Financial management and Accounting System, the Board is interested to appointed a firm of Chartered Accountants.
